

WASH Acquires American Service Company

Acquisition Expands WASH's San Francisco Bay Area Presence

EL SEGUNDO, Calif., July 1, 2016 /PRNewswire/ -- WASH Multifamily Laundry Systems, North America's leading laundry facilities management service company, announced its acquisition of American Service Company, a route laundry provider based in Redwood City, Calif. This acquisition widens WASH's presence throughout the San Francisco Bay area.

"WASH's acquisition of American Service Company is another important step in our continued expansion and reinforces our growing industry leadership," comments Adam Coffey, president of WASH. "We're looking forward to delivering our best-in-class multifamily laundry services to new customers throughout the region."

"Since 1948, American Service Company has a longstanding history of providing laundry equipment and services to its customers," comments Daryl Rolla, president of American Service Company. "We are confident our customers will be in good hands with WASH and will benefit from the high level of customer service they are known for."

About WASH

WASH is a leader in technology-advanced, eco-friendly laundry room operations. Its

"best-in-class" facilities management services can be found at apartment properties, condos, college and university residence halls, military bases and other multi-housing locations. More than 7 million people do their weekly laundry at a WASH facility. WASH is a privately held company founded in 1947 and based in El Segundo, Calif. and operating in 20 U.S. states and all Canadian provinces. Through its subsidiary Coinamatic Canada, WASH also has a commercial laundry distributorship and ParkSmart, a division that manages parking facilities.
