A La Carte

July 30, 2015

WHERE THE ACTION IS: EL SEGUNDO... The center of activity in the local restaurant scene is moving to El Segundo, and that's a sentence I don't think I ever expected to write. Besides the upcoming openings of Sausal and Kagura there are several restaurants on Main Street for sale, and the opening of The Point development at Rosecrans this weekend will greatly expand the options in the area. That development has high visibility and local traffic, which can't be said of the Elevon project at Nash and Mariposa. The restaurants here will probably start out serving the local business community, but I have heard credible information that there will be more than the usual chain offerings here. I'll let you know as soon as names are announced...
