

THE EXCEPTION

16 Tantalizing Eateries to Enjoy Fine Wine in El Segundo, California

El Segundo, California offers an avalanche of the splendid at its eating establishments. Discriminating palates have tried them all. We can concede that the ace culinarians in other spots like Sante Fe are acceptable enough. But they've been mailing it in for some while now. For decidedly exciting and bold American-style Chinese, Midwestern-style or vegan food, these places are the absolute best.

This village literally isn't a lunatic liberal domain like the rest of California. But we understand that for some newbies, this lingering impression may make this village look like a tough nut to track. Chill out and don't be concerned that you will end up all dressed up with nowhere to go.

This community has captivating eateries where you can go get your cuisine on. Your colleagues could be chowing into fresh vegetables grown within a few miles of El Segundo, California.

We cherish how the kitchen experts source melons and oranges from the wild or local farms, all within a day's drive in the West Coast. Any enlightened, big city chef would be jealous of the finest restaurants in El Segundo, California.

Our creative selections are the greatest thing since sliced bread. Get your munch on in LA County, bros and gals.
