24Hr HomeCare's Caregivers provide in-home caregiving services to seniors and the developmentally disabled, from assisting them with medication tracking, to healthy meal preparation, to transporting them to errands and hospital visits, to simply being trusted companions. Since its establishment in 2008, 24Hr HomeCare has grown from a \$1 million company, to a company with over \$48 million in total revenue in 2015. It is also the No. 199 fastest-growing company in the healthcare category, and the No. 149 fastest-growing company in Los Angeles.

"Four years!" said Ryan Iwamoto, Co-Founder and Chief Marketing Officer of 24Hr HomeCare, "The fact that we've been able to sustain our rapid growth for such an extended period of time attests to our company's ability to adapt to a developing industry, adopt innovative new technologies and processes for senior care, and, above all, continue to hire the best."

24Hr HomeCare is honored to join companies such as Dollar Shave Club, Square, ipsey, and Yeti Cooler on the 2016 Inc. 500|5000 list.
