Lundquist receives

Champion of Business award

Richard Lundquist was presented with the City of El Segundo Champion of Business award at a dinner this month at Vistamar School. Over the past four decades, Lundquist's Continental Development has built over five million square feet of office and retail space, much of it within El Segundo's 5.4 square miles. Lundquist's contributions to El Segundo have been philanthropic as well. For the past 12 years he has chaired the El Segundo Education Foundation. Lundquist recently contributed \$1 million toward the construction of a \$14 million aquatic center to be used by the El Segundo and Wiseburn high schools and the community.
