

Los Angeles Business Journal ranks WASH Laundry Among Top 100 Largest and Fastest Growing Private Companies in L.A.

EL SEGUNDO, Calif., Dec. 1, 2015 /PRNewswire/ -- WASH Multifamily Laundry Systems, North America's leading laundry facilities management service company, has been ranked among the top 100 largest and fastest-growing companies in Los Angeles County by the *Los Angeles Business Journal*.

WASH has doubled in size over the past five years through a series of 14 successful mergers and acquisitions. In 2016, the company plans to continue its geographic expansion with the opening of several new branch offices throughout the United States. WASH currently employs 939 employees in more than 30 branches throughout the United States and Canada. The firm has installed and operates more than 500,000 laundry machines in 70,000 locations.

"We are honored by this recognition as we continue on a trajectory of rapid growth and expansion into new markets," says Adam Coffey, president and CEO of WASH. "It's rewarding for all of us at WASH to be ranked among the largest, fastest-growing companies in Los Angeles."

About WASH

WASH is a leader in technology-advanced, eco-friendly laundry room operations. Its "best-in-class" facilities management services can be found at apartment properties, condos, college and university residence halls, military bases and other multi-housing locations. More than 5 million people do their weekly laundry at a WASH facility. WASH is a privately held company founded in 1947 and based in El Segundo, Calif. and operating in 16 U.S. states and all Canadian provinces. Through its subsidiary Coinamatic Canada, WASH also has a commercial laundry distributorship and ParkSmart, a division that manages parking facilities.
